

Advt No. 14/2019/Acad

Walk-in Interview for IYBA Project-JRF position

Title of the project: “Disruption of genome integrity to create genetic variability by editing (using CRISPR-CAS9) the genes associate with DNA mismatch repair and characterization of their relevance in crop improvement”.

Duration: Up to 1 year and can be extended depending on performance.

Essential qualifications: M.Sc. degree in Life Sciences/ Biotechnology with NET qualification and minimum 60% marks in qualifying exams. Practical knowledge of plant tissue culture, basic molecular biology techniques including nucleic acid extraction, cloning, gene editing and gene expression analysis in plant systems is essential.

Desired qualifications: Practical knowledge of plant tissue culture, transformation, molecular biology techniques (DNA, RNA and plasmid isolation, PCR and molecular cloning, gene editing) are necessary. Candidate who has experience of working on rice tissue culture, transformation and knowledge on DNA damage and repair will be preferred but not necessary.

Principal Investigator: Dr. Ramu S Vemanna

Fellowship: 25,000+ 30% HRA per month

Interview date and Time: 24th April, 2019. 10AM.

Note:No TA/DA will be paid to attend the interview.

Venue:Regional Centre for Biotechnology, NCR Biotech Science Cluster, Faridabad-Gurgaon Expressway 3rd Milestone, Faridabad 121001. Haryana. Phone no: 129-2848800

Interested candidates should appear for walk-in interview with all his/her certificates at the above address at 10.00 am on 24/4/2019 along with filled application form. Candidates who come after 11:00 am will not be considered. Candidates can email CV with name of references to ramu.vemanna@rcb.res.in prior to interview. Please feel free contact if you have any further queries.
